

Welcome to CCI... your condo connection

The goal of the Canadian Condominium Institute is to form partnerships with its members to create, encourage and promote a strong condominium community in what is Canada's most vibrant marketplace.

CCI is an independent, non-profit organization formed in 1982 with chapters throughout Canada representing over a half of a million condominium unit owners.

CCI is Canada's only organization dealing with condominium issues . . . for the benefit of condo corporations, residents, professionals and trade service suppliers. Representing all facets of the condominium community, CCI encourages all interest groups to work toward one common goal.

CCI provides growth opportunities for the professionals and business partners who service the condominium market ... and we look forward to welcoming you as a CCI member!

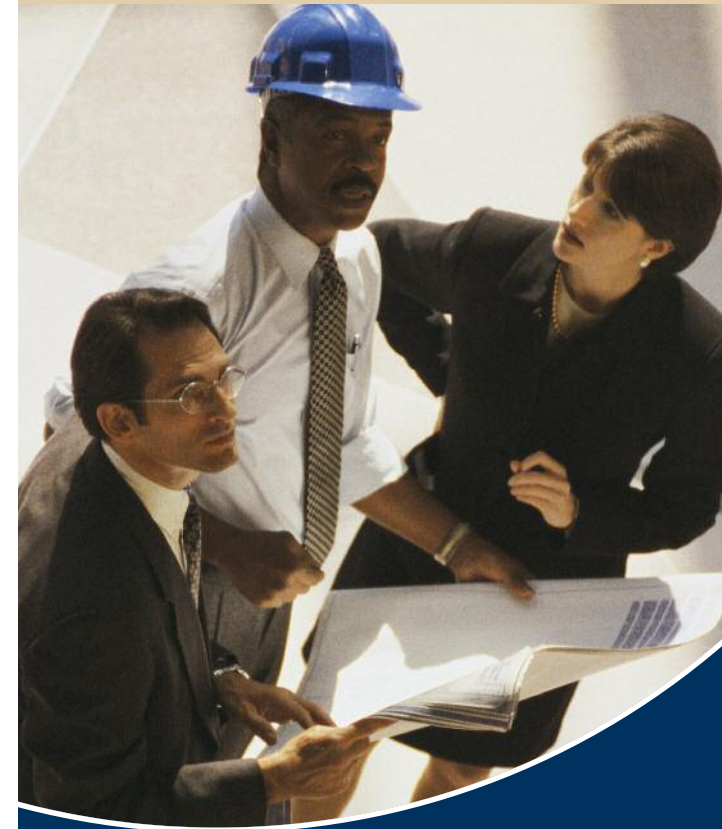

Let CCI work for you!

CCI... your condo connection

Condominiums are the fastest-growing home unit in a flourishing real estate market.

This boom – combined with the aging of many condominium properties, the changes in government legislation plus the ever-increasing pace of change in technology and communications – all spell out the enhanced need for trade and professional suppliers to connect with condominium managers and directors.

Professional Membership

Professionals practicing in the condominium field join CCI to share information with others in the industry and to share their experience with condominium owners. Professionals from the areas of condominium law, property management, accounting, engineering, real estate, and insurance, become members of the organization acting to better the condominium industry.

Business Partner Membership

This classification is available to any trade, commercial, not for profit or government corporation who services the condominium industry. This membership allows Business Partners to participate in educational programs and seminars, and advertise in chapter publications, and share their expertise through CCI seminars and conferences.
